

BMP 260

The new code for Multipack solutions!

GEVAS: Passion Made in Germany!

- **Flexible to Customer Needs**
- **Service is Our Passion**
- **Customer Satisfaction is Our Duty**

More than ever retailers today are asking for efficient packaging solutions. But what does "efficient" really mean? If they are looking to cut costs in a sustainable way, there are subtleties to consider. But at the end of the day it is especially all about to satisfy the final consumer.

Attractive design, handy to carry and of course the price advantage are the key factors today for the end consumer: Value for money!

The GEVAS BMP 260 – Multipack bagger – will pack according to your individual configuration and count of single packs into a pre made PE-bag.
